WUMI VERLAG

High up in an old tree
lives **WUMI**.

The little raccoon
loves adventures.

Every morning, **WUMI**
stretches and gets
ready for a new day in
the Friendship Forest.

WUMI opens the door.
The birds are singing.
The sun is shining.
Today, he wants to
discover something
new.

He looks far across the forest.
"Today I'm going exploring!"
he says happily.
He grabs his little backpack.

Slowly, **WUMI** walks along
the forest path.
Colorful flowers are
blooming everywhere.
Beautiful butterflies flutter
by.

Soon, he arrives at a big
forest clearing.
Everything is quiet and
peaceful.
"What a beautiful forest,"
WUMI whispers.

Suddenly, something rustles
in the bushes.

WUMI stops.
"Who's there?"

Hop!
A little bunny jumps out.
"Hello! I'm **HOPSI!**"

WUMI smiles.

"Hi, **HOPSI!**

Would you like to come
with me?"

Together, they continue walking.
They tell each other little stories.
They have so much fun.

Near the little stream, they find a big
book.

It is lying on top of a tree stump.

"I wonder who it belongs to?"

Just then, they hear footsteps.
Both friends look around curiously.
Someone is coming closer.

A little hedgehog walks toward
them.

"Hello! I'm **MUCKI**."

MUCKI opens his book.
He knows many wonderful things
about the forest.

Everyone listens carefully.

"Come with me," says **WUMI**.

"I know a wonderful place."

Under a big tree, they
take a little break.
It feels warm and cozy.
"What a lovely place!"

Suddenly, they hear a
strange sound.

Everyone looks up.
"What was that?"

Crack!

A pine cone lands right on
the table. “What was that?”,
asked **HOPSI**.

Then a little squirrel hops
down from the tree.
"Oops!" he laughs.
"That was me!"

"My name is **EDDI**!"
Everyone laughs together.
Now there are four friends.

Together, they walk through
the forest.
Slowly, the sun begins to set.
It has been a wonderful day.

The campfire keeps everyone
warm.

The friends drink hot cocoa.

They tell each other happy stories.

WUMI, HOPSI, MUCKI, and EDDI
put their paws together.

"We are friends!"

And together,
they will share
many more adventures.
